

# Courses and Prerequisites for Temple's MS in Data Science

For official program requirements and information about applying, visit <http://www.temple.edu/cis/>

Students are eligible to apply after they have completed (and/or are registered for) all of the undergraduate pre-reqs (new policy, not yet in Temple's graduate bulletin).

\* Undergraduate courses may be taken at any accredited college. If you wish to take these courses at Temple (as a non-matriculated student), contact the Office of Continuing Studies (215 204-2500)
