SUCCESSFUL WOMEN IN TECHNOLOGY PANEL

Come for advice. Hear their experiences. Leave inspired!

Come join us for the annual successful women in technology panel where high profile females discuss their success stories and experiences!

Stay afterwards for a chance to network with these lovely ladies!

Companies such as JPMorganChase, PGW, Temple University Computer Services, and Vanguard among others will be represented.

Where: SERC 108  Date: April 13  Time: 5PM-7PM

Food: Provided  Dresscode: None

Open for men and women in all majors. Everyone is welcome and encouraged to come.
