CIS 2107

October 25, 2016

Administrative Stuff

- Today is the last day to withdraw
- Steganography assignment due today
- Heap practice problems, string library assignment posted soon

---

**exam notes**

- `something.func()`
- `if (c == 'a' || 'e' || 'i' || ...)`
- `a` vs `'a'` vs "a"
- `s=malloc()` vs `s[]`
- not writing an `is_vowel()`
- `strcat()`
- `char tmp[100]`
- no public static...
- `String vs char[]` or `char*`
- `s vs *s vs &s`
- `sizeof`
  - number of bytes, not bits
  - can’t take an array (incl string) and use to find length

---

**more exam notes**

- Checking all vs returning the result of the last comparison
- `search`
- `palindrome`
