CIS 1068

February 4, 2020
Administrative Stuff

- Lab 3 due Friday
- Lab 4 posted
- Reading: up to ch 5
- Midterm 1
Last Time

- no [] for String
  - use charAt(index) to read
  - no single function, operator to write. Strings are immutable
- lots of small stylistic things
  - if - else
  - functions returning boolean
- printf
- comparing primitives vs references to objects
